

What are we working on in your neighborhood?

- The City is building sidewalks on Marr that will improve walking connections from the commercial areas to Lincoln Elementary
- The City is working with the Department of Transportation as they finish the Sellar Bridge project. As a result of the project, Locomotive Park will be renovated with new street trees, new routes of travel through the park, new parking, and a parking lot at Lincoln Park will be repaved.
- Efforts are underway to secure a donation of five acres of property located adjacent to the pedestrian bridge.
- A grant has been received to study and recommend improvements to safety in south Wenatchee from a transportation perspective – safe crossings, etc.
- The City is conducting a business survey to help provide recommendations to improve the business and job offerings in South Wenatchee.
- The Kiwanis Club is working with the City to improve the soccer field at Kiwanis Methow Park.
- Work is beginning with AAU basketball and the Kiwanis Club to improve the Kiwanis Methow Park basketball court.
- The City is seeking a sponsor to help replace the aging picnic shelter and stage in Lincoln Park.
- We're talking about the addition of school zone cameras to provide more driving safety.
- The City and Chelan-Douglas Land Trust will be hosting a neighborhood meeting about Saddlerock at 7:00 p.m. on June 18th at Pioneer Middle School.
- Kiwanis Methow Park wading pool operates June 24 through August 16, Monday through Friday, 1:00 p.m. to 5:00 p.m.; Country Financial Movies in Lincoln Park are being planned for Saturdays in September at 7:30 p.m.; Fiestas Mexicanas is scheduled in Lincoln Park September 13 - 15.
- We're working to improve the offerings at the Wenatchee Community Center. Current programs are the Indoor Playground, Wenatchee Foodbank and Literacy programs. Program, facility and rental information can be found on the City's website or by calling (509) 888-3286.
- We'll be providing information on the benefits of being annexed into the City to receive sewer service, enhanced garbage service, and a chance to participate in the future of the City!
